Nuits-Saint-Georges : one thinks immediately of a red wine. Nuits-Saint-Georges white are rare. The grounds reserved for the chardonnay and the white pinot are limited to particular geological zones. Traditionally, the vine growers of the Côte de Nuits used the white pinots.

We have in property 1,3 ha of this vintage.

- Grape Variety :** 80 % Chardonnay and 20 % Pinot blanc  
**Alcoholic content :** 13.5°  
**Cases produced :** 450  
**Soil :** Stony soil, therefore very calcareous, an important proportion of clays limono-sand spreader  
**Aging :** 10 years old  
**Vineyard age :** Oak barrels, 25% new  
**Vineyard Location :** Prémieux, in the slope directed full est.
- Characteristics :** As in any Nuits-Saint-Georges, strong presence of fruits (here lemon notes, citrus fruits, clementine), but also beautiful minerality due on the stony ground. The chardonnay brings the basic structure and the minerality ; the white pinot, the little side more “candy” and records the flavours of chardonnay.
- Storage and aging :** Fresh place (ideally 12°C). The wine is to drink between today and 5 years. In its youth, the fruits are expressed fully.
- To drink with :** Perfect with shrimps, gambas and Saint-Jacob. Lobster in the special occasions.
